2. You will own a license for the software only if you make all consecutive rental payments for the entire Rental Term.
3. Software Rentals can be canceled during the rental period and the Software Rental will end at your next billing cycle along with access to the software. To cancel your Software Rental, please contact Chief Architect (by phone, email or mail). Rentals will only be canceled upon receiving confirmation from Chief Architect.
4. All Software Rentals are excluded from the Chief Architect 30 day money back guarantee.
5. Monthly software rental payments are charged monthly to your credit card on the day you began your Software Rental. If that date does not exist in the current month or if it falls on a holiday or weekend, it may be charged on the next business day.
6. By purchasing a Software Rental, you agree to the terms and conditions outlined in this document and agree to the terms and conditions of the Software License for the product you are renting.
7. **Chief Architect Premier/Interiors:** Software Rentals include Support & Software Assurance (SSA) during the rental agreement period.
8. **Chief Architect Premier/Interiors:** Once you own a license for the software, the monthly payments will continue at a reduced rate for continued Support & Software Assurance (SSA). This reduced recurring charge for SSA is \$49 per month. In lieu of a monthly fee, you can renew SSA annually (SSA annual and monthly pricing is subject to change).
